

The Serino Family

Independent Baptist Missionaries to the Alaskan Arctic!

OCTOBER - NOVEMBER 2020

Dear Pastor and Friends,

Amidst the trials of this present evil world, we have great reason to rejoice here in the High Arctic! **Bro. Tony Henry**, his wife **Josie**, and family, have answered the call of God to go to the village of Wainwright and take over that ministry! Bro. Henry is preparing now to get to Wainwright in early January, with their oldest son **Joseph**, to get the building opened up and ready for Josie and the rest of the kids. We are doing our best to help them financially for the move up in this exciting adventure! Thank you so much for praying; **this is a GREAT answer to our prayer!!!**

We have had a couple of shut-downs due to Covid cases in town, but in general things have gone on as normal in the church services, Kings Kids and Reformers Unanimous ministries. Seems every time we get some visitors that start to come regularly then the Covid scare comes up. Our hearts go out to the Lower 48 churches who are trying to deal with this and function in some kind of normalcy. We must pray for our Great Nation; people need to get saved!

I have had to do three funerals, all during lock-downs; one was a double funeral, and none were Covid related. The Lord has opened doors for witnessing and preaching in these situations so please pray hearts would surrender to the light of the Gospel!

The Teens have been a real blessing as they are coming to other services besides Teen Class. One young lady has been reading through her Bible and giving regularly in tithes and missions. She is a great example to the class, along with some other faithful young people.

This will probably be the last letter until the New Year so we pray you all will have a healthy and blessed Thanksgiving and Christmas. We are looking forward to some great miracles in our nation and ministries. Prayer is so very important, now more than ever!

A special thank you to all our churches and supporters who are praying and giving to missions in spite of hard times. Your sacrifice is a great blessing to us and will be eternally rewarded where it counts, in Glory!

You all are a special encouragement to us!
