Independent Baptist Missionaries to the Alaskan Arctic!

DECEMBER 2021

Dear Pastor and Friends,

Greetings from the Arctic, where right now it really feels like THE ARCTIC! November weather was the worst I can remember and now in this first week of December, we are dealing with 70 mph gusts and blowing snow and temps well below zero. Wind chills are a real joy! I know we should expect this, but we always hope that Global Warming will kick in during one of our winters!

Our village lock-down here in Point Hope just ended on December 2nd, though we have been having regular services for over three weeks. Our church van is back on the road, but we are still waiting for a U-joint to repair the 4-wheel drive. It has been a challenge since our post office has been closed for two weeks now. The joy continues.

All services have been down in attendance for various reasons but we thank God for the faithful who are in church no matter what! Especially our Teens and Sunday school kids! It has been good to see Teddy back in church, in every service, after he had a battle with Covid last month.

Our Thanksgiving was good as we had a small turkey and **Christian** and **Jade** were with us along with our grandson, **Dare**, who is two years old now. The village feast was cancelled due to the Covid cases but the village delivered a nice dinner to every house.

We are looking forward to Christmas as we will be heading to Fairbanks to be with the kids and grandkids for a couple of weeks and then back here before New Years. We pray that you ALL have a GREAT and HOLY CHRISTMAS this year and that the Lord blesses you as much as His mercy and grace have blessed us! It is such a humbling privilege to serve our Great Saviour here in the High Arctic!

A special THANK YOU to all of you who have sent cards and/or special gifts to our family and ministry for Christmas. **You folks are such a tremendous encouragement to Darianne and me!**

We are looking forward to some great victories and much fruit in this coming New Year!

Have a very Merry Christmas and Happy and Safe New Year!
EVEN SO COME LORD JESUS! SOON!!!

Through His Blood,

Rev. Nick Serino
